# Uptown Authority wraps bond offering

The Uptown Development Authority has successfully completed the second half of its \$112 million bond financing, consisting of a \$48 million privately placed series 2021A bond at 2 percent and a \$64 million public offering series 2021B bond at 3.52 percent.

The proceeds will fund affordable homes throughout Houston, directed by the city's Housing and Community Development Department.

UBS Financial Services Inc. led the series 2021B offering.

## Orbital Energy to buy telecom firm based in Atlanta

Orbital Energy Group Inc. has reached an agreement in principal to acquire Gibson Technical Services, an Atlanta-based telecommunications company providing diversified telecommunications services nationally since 1990.

The transaction is expected to close on or before April 30. Houston-based Orbital agreed to pay \$48 million, approximately 6 times GTS's forecasted 2021 EBITDA.

Upon completion of the acquisition, GTS will become a wholly owned subsidiary of OEG. The senior management team will remain with the com-
